

## Return of Smileys

While tech stocks overall aren't nearly as heated as the sector was in the late 1990s, select tech stocks are back at record highs, including Research in Motion, Apple and Google (whose IPO was in 2004).

### Research in Motion

Yesterday's close on the Toronto stock exchange: **C\$97.31** (\$96.95)

### Apple (AAPL)

Yesterday's close: **\$153.18**
